### Background and Objectives

The Texas Reading First program was launched as part of a broader national effort to improve reading outcomes among elementary students, emphasizing early intervention and evidence-based instructional strategies. Its primary goal is to ensure that students develop strong foundational skills, including phonemic awareness, decoding, vocabulary, comprehension, and fluency. The 4th-grade level is a critical juncture, as students transition from learning to read to reading to learn, necessitating a focus on fluency—the ability to read smoothly, accurately, and with appropriate expression.

### Significance of Fluency in Reading Development
