At its core, the *Cats* musical script is an adaptation of T.S. Eliot?s *Old Possum?s Book of Practical Cats*, a collection of whimsical poems about feline personalities. The script, however, transcends a straightforward reading of poems by weaving them into a theatrical narrative ?lled with music, dance, and elaborate characterization. This makes the *Cats* musical script a fascinating study in adaptation, where poetic text meets stagecraft.

Unlike traditional musicals that follow a linear plot, the *Cats* script is structured more as a series of vignettes or character studies. Each cat introduces themselves through song and dance, revealing their unique traits and stories. This episodic structure is re?ected in the script?s layout, which balances lyrical dialogue, musical numbers, and stage directions

For example, Andrew Lloyd Webber, who composed the music, worked closely with the script to ensure that the poetic rhythm and imagery translated e?ectively into song.

The lyrical quality of Eliot?s poetry lends itself naturally to musical adaptation, but it also requires careful consideration to maintain the original tone while making it engaging for a theatrical audience.
