Let?s dive into the history, key ?gures, and legacy of strong style wrestling during these transformative years.

The Origins and Evolution of Strong Style Wrestling

Strong style wrestling is a unique approach that originated in Japan, particularly within the New Japan Pro Wrestling (NJPW) promotion. It emphasizes sti? strikes, submission holds, and a serious, almost martial arts-inspired aura that distances itself from the more theatrical elements of wrestling common in other parts of the world.

The storytelling is driven through physicality, with matches often resembling legitimate ?ghts rather than choreographed entertainment.

This approach gained traction in the 1980s, with Japanese stars like Antonio Inoki pioneering the style.
