E?ective Use of Power-Ups and Items

Scattered around the mall are power-ups that grant temporary boosts, such as increased speed, damage, or defense. Timing the use of these power-ups is vital. For example,

activating a damage boost just before confronting a group of enemies can maximize your impact. Additionally, some items can be used as traps or distractions?don?t underestimate the strategic value of throwing a well-timed item to disrupt opponents.

Team Coordination and Communication
