What is Agency in Texas Real Estate?

Agency refers to the legal relationship between a real estate agent and their client. In Texas, this relationship is governed by both state laws and the Texas Real Estate Commission (TREC) rules. An agent represents the interests of their client, whether it be a buyer, seller, landlord, or tenant.

No Agency: The agent acts as a facilitator without representing either party.

Understanding these distinctions helps clarify the agent?s duties and limits potential con?icts of interest. Quiz questions typically test your ability to identify which agency type is in e?ect in given scenarios.
