How to Access Your USPS Paycheck Stub from 2014

If you need to retrieve your USPS paycheck stub from 2014, there are several options depending on whether you still have access to USPS systems or require historical records.

Contacting USPS HR or Payroll Department

For those who no longer have access to PostalEASE, contacting the USPS Human Resources or Payroll department is a reliable way to request copies of past paycheck stubs. You may need to provide identi?cation and employment details to verify your request.
